

## Back Home Catering Special Event Menu

We sure love catering pool parties, but even if there is no pool, Back Home catering will set up your picnic in your back yard, outside your office, or business front door. We will let you use our popcorn machine and coca-cola fountain (for a small fee of course) inside or out. Ice cream socials can also be an inexpensive way to treat your employees to a little “afternoon delight”. Scoop it up and dig in.
