

Prices Reflective as of 9-11-2011

Weddings can be the most exciting event in a persons' life, but can also be one of the most stressful. We can help relieve that stress with something better than a foot massage. Turn it over to our expert staff to feed all your out of town and in-town guests after rehearsal and "thank goodness" after the wedding. Your wedding day is very special and you will only get one shot (hopefully) at it. Do it right. Call Back Home Catering.
